

Exam Preparation PMP® (Project Management Professional according to PMI®) (Präsenz)

Intensive training at an ATP – the best way to get a certificate

The Project Management Professional (PMP)® certification is the most renowned and internationally most widely recognized certification in project management. Not without, because this certificate is proof that, in addition to proven professional experience, you are also fit to successfully manage projects according to the PMI® standard. With this training, you will be perfectly prepared for the PMP® exam and receive the 35 seminar contact hours required for admission. The training content and the seminar structure are based on the current status of the PMP® Examination Content Outline.

Content

Important planning note:

Our preparation dates up to and including **May 18, 2026**, cover the content of the currently valid PMP® exam. The Project Management Institute (PMI®) will only be administering exams based on this content up to and including **July 8, 2026**.

Exam changes from July 9, 2026 – Important information for your planning under "Content"

The PMP® exam will be updated on **July 9, 2026**. Dates after May 22, 2026, prepare for the exam that will be valid from July 9, 2026.

- Fundamentals of the Project Management Institute (PMI)® and the PMBOK® Guide (A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Eighth Edition, Project Management Institute, Inc., 2026).
- Clarification of prerequisites, assistance and explanations of the application and examination process.
- Project Management Understanding, Ethics Guidelines, and Standards of Professional Conduct per PMI®.
- Intensive exam preparation for the competence fields Process, People and Business as well as the knowledge areas: Integration Management, Project Content and Scope Management, Schedule Management, Cost Management, Quality Management, Resource Management, Communication Management, Risk Management, Procurement Management and Stakeholder Management and all other important aspects of project management such as virtual team management, document management, etc.
- All exam relevant content will be covered according to the domains "Process", "People" & "Business Environment" of the current PMP® Examination Content Outline (ECO2021). About half of the examination will represent predictive project management approaches and the other half will represent agile or hybrid approaches.
- Sample questions and tips for the exam in the classroom seminar.
- E-Simulation X-AM PMP®: an active simulation of the exam situation with more than 1,400 questions.
- Your personal learning plan.

Online Learning Platform

In your online learning environment you will find useful information, downloads and Extra-Services for this qualification measure after your registration.

Your benefits

With this offer, you get an ideal preparation for your PMP® exam. **Haufe Akademie is an Authorized Training Partner (ATP) of PMI®.** This means for you that the training is certified by PMI® both didactically and with regard to the documents (PMP® Student Kit).

- An experienced PMI®-certified trainer prepares you for the exam. He is available to answer all your questions from the first day of training until you take your exam.
- In the training, you will work on the basics in a concentrated and intensive manner, on which you will build in the self-study.
- You will familiarize yourself with the type, form and language of the PMP® exam and receive concrete tips. You will be able to assess for yourself whether your English language skills are sufficient for the exam in the original language or whether you want to use the German exam.
- You can simulate the exam at any time and several times using realistic exam questions. You receive feedback and can better anchor what you have learned or make targeted adjustments.
- The chance of passing the exam the first time increases significantly.

1 year PMI® membership included!

This gives you free access to the PMBOK® Guide editions required for the training. Membership ends automatically after one year.

You acquire the 35 seminar contact hours required for admission to the exam. These will be credited to you automatically after the training. Attention: the price for the exam is not included in the seminar price.

Exam simulation X-AM PMP® – included!

An important prerequisite for passing the exam is lots of practice questions – the more the better! In addition to the questions in the seminar, you can use the X-AM PMP exam simulation® to practice over 1,400 exam-like questions and simulate the exams several times.

Own preparation for the exam

Please note that additional, individual learning time must be scheduled before the exam. Depending on the level of knowledge, the time to be estimated can vary greatly. You can also find more information about the exam directly at www.pmi.org.

Methods

Lecture, many exercises and group work, literature study, case studies, step-by-step procedures, references to "pitfalls", sample questions and discussion of answers.

Training materials

The seminar language and all the documents are in English. They are already included in the price and will be provided to you in the training (digital & print).

PMI, CAPM, PMBOK and the PMI Authorized Training Partner logo are registered trademarks of the Project Management Institute, Inc.

Who should attend

Experienced project managers who want to prepare intensively and specifically for the PMP® exam.

Final examination

PMP® exam and admission requirements: The PMP® exam takes place at a PearsonVue test center or from home (so-called "online proctoring"). For the PMP® exam including certification, PMI® charges an exam fee of currently 405 US dollars for PMI® members (your advantage: 1-year PMP® membership included!) and 655 US dollars for non-members of PMI®. You can find out more about the exam in the training itself and directly at www.pmi.org.

Open Badges - Show what you can do digitally too.

Open Badges are recognised, digital certificates of participation. These verifiable credentials are the current standard for integration in career networks such as LinkedIn.

With them, you digitally demonstrate the competences you possess.

After successful completion, you will receive an Open Badge from us.

Nach fast 19 Jahren beruflicher Erfahrung in einem Unternehmen habe ich mich 2011 entschieden, als Trainer, Berater und Coach im Projektmanagement zu arbeiten. Meine Idee war, mein Wissen und meine Erfahrung mit anderen Menschen zu teilen und nahezubringen. Viele Projekte stehen für positiven Wandel und Fortschritt. Es ist mein Beitrag, um die Welt ein bisschen besser zu machen.

Christian Dworschak

Ich heiße Christian, komme aus Österreich und brenne seit über 2 Jahrzehnten für das Thema Projektmanagement: Als Berater, Trainer und Coach. Ich liebe es Lernkonzepte zu entwickeln und als Trainer Lernräume zu schaffen, in denen Interaktion, Praxisnutzen und persönliche Entwicklung im Mittelpunkt stehen. Mein größte Motivation: Die Begeisterung der Teilnehmenden zu spüren - sowohl in meinen Lehrveranstaltungen als auch im Wunsch, Dinge nach dem Training direkt in die Umsetzung zu bringen.

Rüdiger Geist

Ich bin Managing Director in der Schweiz und arbeite seit vielen Jahren als Berater, Trainer und Entwickler von Projektmanagement-Simulationen. Als Associate Professor lehre ich Projektmanagement an mehreren Hochschulen im In- und Ausland. Ich bin PMP, PfMP und IPMA Level B zertifiziert, war Mitglied internationaler Fachgremien und publiziere regelmäßig zu Projekten in komplexen und multikulturellen Umfeldern. 2017 wurde meine Arbeit mit dem PMI Award „Education Product of the Year“ ausgezeichnet.

Joachim Martin

"Ein Projektleiter muss sich zu einer Führungskraft und zu einem Generalisten spezialisieren, denn Projekte leiten heißt Menschen führen! Auf diesem herausfordernden Weg möchte ich Sie praxisnah begleiten und unterstützen."

Als Berater mit langjähriger Projekt- und Führungserfahrung in Unternehmensberatungs-, IT- und Finanzbranche möchte ich mein erworbenes Wissen und meine persönlichen Erfahrungen mit Ihnen teilen.

Meine Themenschwerpunkte sind Projektmanagement (klassisch, agil, hybrid) und die Zertifizierungsvorbereitung nach PMI® - beides sowohl national als auch in einem internationalen Umfeld.
