Jonathan Backes

Ich bin Coach, Trainer und Berater mit Schwerpunkt auf Verhandlungs-, Rhetorik- und Kommunikations-trainings. Ich arbeite mit Menschen, die klarer auftreten, überzeugender kommunizieren und ihre Interessen souverän vertreten wollen.

Mich motiviert, wenn aus innerer Unruhe Struktur entsteht und aus Unsicherheit eine klare Haltung. Diesen Beruf habe ich gewählt, weil ich überzeugt bin, dass Wirkung, Durchsetzungskraft und gute Entscheidungen erlernbar sind. Nicht durch Tricks, sondern durch Selbstführung, Reflexion und einen klaren, professionellen Prozess.

Bob Feldman

I enthusiastically help you heighten and resonate your presence and to express yourself with confidence and impact. At the same time, I guide you into deeper self-exploration, looking at personal values and visions, reducing stress and increasing energy. We need a balance between the outer and inner, between productivity and empathy, between standing out and turning inwards with time for reflection. Born and raised in Chicago, I have lived and worked in Asia and Europe for the past 30 years, training and coaching individuals from all levels and all industries, informed and infused with my long experience as an actor, therapist and educator.

**David Preston**

Menschen dabei zu helfen, klarer und wirkungsvoller zu kommunizieren, war schon immer mein Antrieb – von meinen Anfängen als Englischlehrer bis zu meiner heutigen Arbeit als Kommunikationstrainer.

Mich zeichnet aus, dass ich Kommunikationspraxis mit wissenschaftlichen und psychologischen Erkenntnissen verbinde. Ich zeige nicht nur wie Kommunikation funktioniert, sondern auch warum – und wie sich dieses Wissen konkret im Berufsalltag einsetzen lässt.

Meine Motivation ist es, Menschen Werkzeuge an die Hand zu geben, mit denen sie sofort sicherer auftreten, überzeugender argumentieren und Gespräche bewusster steuern können.

**Dr. Nigel Paterson**

I am widely experienced in the field of education, training and the third sector. I love learning, so I continue to read and attend training in order to develop my expertise. Even from before my first degree at Cambridge, I have found great pleasure and satisfying success in helping others to learn and to learn from them in the process. Over the years I have developed a special focus in helping individuals and organisations who are in some kind of transition to achieve their full potential or to reach their intended horizon. I have also become very interested in helping people to communicate better and more effectively.
